

Privacy Notice for Visitors to Uplands Primary School and Nursery and/or Forest Learning Alliance

When signing in to the building, the following information will be taken and held on file:

- Forename and surname
- Your car registration (if you choose to provide it)
- Your image (via the InVentry photograph system)

In line with GDPR / DPA2018, this data is held securely on the InVentry system for safeguarding purposes, and is deleted according to our records management / retentions policy.

If you have any questions, please discuss them with the school office.
